Unlock Global Treasury Opportunities

Grow Your Business and Deliver More Value — Seamlessly and Securely

Fides Treasury Services is a leading provider of multibank connectivity, payments, and transaction communications. With over 40 years of experience, we connect thousands of corporates and partners to more than 13,000 banks and payment providers worldwide, enabling cash and liquidity management for treasury and finance teams. Our services are accessible through seamless integration with third-party ERP/TMS systems and any other system that rely on financial data.

Your Opportunities as a Fides Partner

Every partnership is unique, but they all share one goal: creating more value for clients. Whether you position Fides directly or embed our services seamlessly into your platform, we adapt to your model. Our dynamic ecosystem, featuring **Integrated Partners**, **Referral Partners**, and **Consulting Partners,** empowers you to leverage our market-leading expertise. Together, we deliver advanced functionality, streamline business processes, and drive measurable growth and profitability for your company.

Why Partner with Fides?

One Connection, Global Reach
✓ One secure SFTP connection opens access to 13,000+ banks across the world.

Instant Swift Access
✓ Direct connectivity to Swift (FIN, FINplus, FileAct) with Fides' Financial BIC.

Certified Swift Service Bureau & BIC Hosting
✓ As a Swift Certified Service Bureau, Fides offers secure and compliant Swift access — including BIC hosting.

Sanction Screening
✓ Fully incorporated sanction screening service adds an additional layer of security.

Optimized Workflows
✓ ONE**Pay** and ONE**Report** offer flexible, efficient solutions for global payments and reporting.

Client Ownership
✓ Remain in control of your client relationship — we adapt to your model.

Project Support
✓ Dedicated onboarding and partner team to guide setup and provide ongoing support.

Fides | Reach Further. Connect Faster.

Integrated Partner

Enhance your platform with Fides' seamless connectivity and global coverage in the background.

- **Seamless Integration:** Cover all payment channels with a single SFTP integration without complex IT projects.
- **Instant Swift Access:** Offer instant Swift connectivity (FIN, FINplus, FileAct) via Fides' Financial BIC within your own tool.
- **Global Bank Connectivity:** Give your clients access to 13,000+ banks in ~200 countries, all directly from your software provided to your customers.
- **Client Ownership:** Maintain full ownership of your customer relationship. Fides acts as a third-party provider operating in the background, supporting your solution without interfering in client interactions.

Referral and Consulting Partner

Introduce Fides directly to your clients and expand your portfolio with the global leading solution for multibank connectivity.

- **Global Reach:** Offer access to 13,000+ banks worldwide.
- **Grow Revenue:** Earn attractive commissions for every successful referral.
- **Full Enablement:** Training, sales, and marketing support provided.
- **Project Support:** Smooth onboarding with our dedicated project management team.
- **Add Value for Clients:** Present Fides to unlock real global bank reach and multibank connectivity.
